

# bet365 com c

In an over-under bet, a sportsbook will predict the number for a given game. Most commonly, this is the total number of points that will be scored! Bettors must determine if the actual number will be higher or lower than the prediction. With a bet type of BBE (you are not "trying to profit the actual score does matter") Tj T\* BT /

Definition  
There are three goals exactly and the stake is returned. Betting a team to lose or score more goals, does it affect the match? Soccer Rules - Help / nabet365.com
